

Ahmed Fakhr ElDin SENIOR ACCOUNTANT

Summary:

An accountant with over 17 years of experience in managing and optimizing accounting operations. I have automated both simple and complex daily accounting processes across five+ projects using systems like Odoo, Zoho, Xero, Smacc, and Enjz ERP. My experience spans various industries, including retail, flowers, textiles, and contracting. I'm passionate about improving financial efficiency through smart automation and continuous system development. Currently pursuing the IFRS Diploma, with a background in both accounting and technology.
